FROM: Robert W. Williams, Regional Forester, R-6, Forest Service

Tom Tuchmann, Office of Forestry and Economic Assistance

SUBJECT: First Tuesday of the Month Regional Executive Meetings

A small group of regional federal executives have been meeting informally on the first Tuesday of every month for the past several years. These meetings have evolved from breakfasts to meetings hosted by Tom Tuchmann. Tom and I have agreed that I will start hosting these meetings beginning with the November 5 meeting, with Elaine Zielinski agreeing to chair meetings in my absence. Interested executives from the economic side of the Northwest Forest Plan will continue to be included. We invite you or a designated alternate to these sessions.

The November 5 meeting will be from 9 to 11:00 a.m. in the Regional Ecosystem Office (REO) conference room located on the 2nd floor of the Duncan Plaza building.

The agendas will be developed by the regional executives through the REO, based on topics they suggest. REO is available to provide staffing as appropriate. One planned agenda item for the November 5 meeting is a status report by the REO on our new information analysis--in particular the potential effects of Rescission Act sales not previously considered. If you have additional agenda items for the meeting, please contact Don Knowles (503-326-6266) or Linda Kucera (503-326-6283 or FAX 503-326-6282) in the REO.
